

CENTRAMAX

PROTECTS AGAINST INTERNAL PARASITES
FOR 100 DAYS IN SHEEP

100 DAYS
PROTECTION

Active Ingredients: 160mg abamectin and 4.68g albendazole per capsule.
Also contains: 120mg cobalt and 24mg selenium per capsule.

CENTRAMAX

PROTECTS AGAINST INTERNAL PARASITES FOR 100 DAYS IN SHEEP

Centramax contains abamectin and albendazole, a member of the macrocyclic lactone and benzimidazole family of chemicals respectively. Correct drenching technique should be used. Resistance may develop to any chemical. It is advisable that a resistance test be conducted regularly when using any parasite treatment. Ask your local veterinary practitioner or animal adviser for recommended parasite management practices for your area to reduce development of resistance.

It is effective against sensitive strains of the following internal parasites in sheep (*includes inhibited fourth stage larvae) at treatment and for 100 days after treatment.

Common Name	Genus	Species
ABOMASUM		
Barber's Pole Worm*	<i>Haemonchus</i>	<i>contortus</i>
Stomach Hair Worm*	<i>Trichostrongylus</i>	<i>axei</i>
Brown Stomach Worm*	<i>Teladorsagia</i>	<i>circumcincta</i>
	<i>Teladorsagia</i>	<i>trifurcata</i>
SMALL INTESTINE		
Black Scour Worm*	<i>Trichostrongylus</i>	<i>colubriformis</i>
	<i>Trichostrongylus</i>	<i>vitrinis</i>
Thin-Necked Intestinal Worm*	<i>Nematodirus</i>	<i>spathiger</i>
	<i>Nematodirus</i>	<i>filicollis</i>
Small Intestinal Worm	<i>Cooperia</i>	<i>curticei</i>
	<i>Cooperia</i>	<i>oncophora</i>
LARGE INTESTINE		
Nodule Worm	<i>Oesophagostomum</i>	<i>venulosum</i>
Large-Mouthed Bowel Worm	<i>Chabertia</i>	<i>ovina</i>
Intestinal Threadworm	<i>Strongyloidesm</i>	<i>papillosus</i>
Whipworm	<i>Trichuris</i>	<i>ovis</i>

DOSE RATE

SHEEP LIVEWEIGHT	DOSE
40 – 80kg	1 Capsule
80 – 160kg	2 Capsule

Do not use at the same time as any other selenised fertilizer, prill or product and do not exceed the stated dose or frequency without consulting a veterinarian.

By law the user must take due care, obtaining expert advice when necessary, to avoid unnecessary pain and distress when using the product other than as directed on the label.

WITHHOLDING PERIODS

It is an offence for users of this product to cause residues exceeding the relevant MRL in the Food Notice: Maximum Residue Levels for Agricultural Compounds.

MEAT – Sheep producing meat or offal for human consumption must not be sold for slaughter either during or within 128 days of the last treatment.

MILK – Milk intended for sale for human consumption must be discarded during treatment and for 128 days following the last treatment.

STORAGE

Store below 25°C. Store in a dry place. Keep the foil bag sealed using the zip lock. Keep away from sunlight. Stability in cold temperatures has not been assessed, if temperature drops below 0°C then discard unused product.

SAFETY PRECAUTIONS

TOXIC – Toxic if swallowed.

WARNING – May cause an allergic skin reaction. Wash hands after handling. May cause allergy or asthma symptoms or breathing difficulties if inhaled. Do not breathe dust. Suspected of causing genetic defects. Suspected of causing cancer. Suspected of damaging fertility or the unborn child. May cause harm to breast feed children. Avoid contact during pregnancy/while nursing. May cause damage to organs (cardiovascular, liver, blood, nervous system, weight loss). Do not eat, drink or smoke when using this product. Wear protective gloves.

ECOTOXIC – Harmful to aquatic life with long lasting effects. Harmful in the soil environment. Harmful to terrestrial vertebrates. Harmful to terrestrial invertebrates. Avoid release to environment.

FIRST AID – IF SWALLOWED: Immediately call a POISON CENTRE or doctor. Rinse mouth.
IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical advice. Wash contaminated clothing before reuse.
IF INHALED: If breathing is difficult, remove to fresh air and keep at rest in a position comfortable. If experiencing respiratory symptoms: Call a POISON CENTRE or doctor. IF exposed or concerned: Get medical advice. Get medical advice if you feel unwell.

DISPOSAL – Dispose of any unused contents or packaging in an approved landfill.

Approved pursuant to the HSNO Act 1996, approval code HSR100758. See www.epa.govt.nz for approval conditions. Registered pursuant to the ACVM Act 1997, A11320. See www.foodsafety.govt.nz/acvm for registration conditions.
